Adventures Of A Cold War

Very interesting and amusingly written tale of misbehaviour and fun and games in the era of the Cold War. In the days when we weren't so sensitive to the PC world of today it was possible to be a professional military aviator and have fun and this shows clearly in the book.

My Adventures of World War and the Cold War: Lacey, Mr. ...

In 1961, at the height of the Cold War, the USSR hastily built the first nuclear submarine equipped with nuclear ballistic missiles – specifically R-13 SLBM rockets. The K-19 sub was the product of a vigorous arms race with the US, that had almost reached boiling point, causing corners to be cut in production.

Cold War Submarine Adventures: K-19 Doomsday Submarine ...

The Cold War espionage game had begun before World War II came to an end, and although spy technology evolved over the decades, the core elements rarely changed. There were two broad types of human spies: those with an incentive to spy, and those who made the calculated decision themselves to spy and volunteered their services.
