Account will lock after 5 incorrect Passwords, Verification codes or responses to Challenge questions. To Reset a forgotten Password, you have the option to answer challenge questions that you previously defined or request a verification code to be sent to one of the personal contact destinations that you previously entered.

Log In - Caterpillar Inc.

This four digit code describes components of Caterpillar products. Each digit of the code signifies a progressively narrower range of the product. SMCS stands for Service Management Control System. For example, the specific SMCS code “ 1202 ” would be interpreted as: 1000 = engine, 1200 = short block engine, 1202 = crankshaft for the short block engine. Type in the serial number or prefix and select SMCS Code.
