Welcome to week four of Science Saturday! Here are weeks, ONE, TWO & THREE. What is Science Saturday? Well, this year for the month of October I'll be sharing 10 science experiments you can do with your kids every Saturday for a total of 50 experiments!!! Up this week is "Magic Tricks That Are Really Just Science!".

10 Magic Tricks That Are Really Just Science
Science is all about asking questions, and some of the most interesting and thought-provoking questions come from the imaginations of children. They can be staring out of a window and then drop such bombshells as: "How much does the sky weigh?" The media often laments how few parents are equipped to answer these questions.
