The Quincunx is the epic first novel of Charles Palliser. It takes the form of a Dickensian mystery set in early 19th century England, but Palliser has added the modern attributes of an ambiguous plot and unreliable narrators. Many of the puzzles that are apparently solved in the story have an alternative solution in the subtext.

The Quincunx - Wikipedia

Charles Palliser produced a masterpiece with this book. He's so close to Dickens himself in terms of characterization, plotting, and execution, it's remarkable. This book reads like a melange of Bleak House and David Copperfield, with plotting so tight and a story so gripping that the five times I've read this book I did NOTHING else for the last few hundred pages.

Having experienced Quincunx,it's surprising to discover Charles Palliser was born an American, near Boston. But he was educated mainly abroad after the age of ten, residing in England for the most part. He attended Oxford and taught at university in Scotland, England and then back in the U.S., before settling in London. His first

Charles Palliser - The Greatest Literature of All Time

The Quincunx is 'kind of Dickensian' in the same way that the Taj Mahal is kind of a nifty tomb. Even the name of its central character, John Huffam, is lifted from Palliser's great inspirer, Charles John Huffam Dickens, but so to describe The Quincunx is almost to belittle it.
