The Sorcery Code Volume 1 by Dima Zales is not what I was hoping it would be. I do love fantasy books, but this one just did not do it for me. The story is finding equality among the people of Kuldun. In this world if you have magical powers you are part of the elite and those without magical powers are peasants.

The Sorcery Code: Volume 1 implants the reader/listener in the middle of a magical world that seems to have already existed for many years. The characters are well rounded and fully developed, the magical world is complex and highly interesting, and the story line seems refreshing and well paced.

The Sorcery Code - Dima Zales

SORCERY 1 – If you get rid of Jann you can kill the Manticore pretty easy. Cast FOF and when you “defend” you take 0 damage so you can stick when you have more strength and kill him with 0 stamina lost (done it this way everytime and it works). Also if you stay to the left each time in the cave you avoid all traps. Like Like

The Sorcery Code (The Sorcery Code: Volume 1) - A Fantasy ...

The Sorcery Code is beautifully told, unique and compelling. Blaise and Gala are two of my most favourite characters ever. I like how all of the characters are a mix of good and bad traits and have understandable motives. That is the mark of a truly great author. The world building is so elegant, intelligent and creative.

*The Sorcery Code Audiobooks /
Audible.com*

The Sorcery Code is a fantastic audiobook! Dima Zales – with help from the wonderful narration by Emily Durante – paints a compelling world full of intrigue, seduction, and action. There were many good, well-rounded characters throughout the book, and I greatly enjoyed that few of the characters can be pegged as good or evil.
